LAI Hao Ran

SE Asia Rainforest Research Partnership (SEARRP)
University of Nottingham Malaysia

Email: hrlai.ecology@gmail.com
ORCID: 0000-0001-6871-0146
Google scholar: g9SWxxcAAAAJ

Education

2015–2018	Ph.D., Ecology and Evolutionary Biology, National University of Singapore. Advisors: Michiel van Breugel & Hugh Tan Tiang Wah. Thesis: *Functional ecology of tropical secondary forests*.
2009–2012	B.Sc. (Hons.) Ecology, The University of Queensland. Advisor: Margaret M. Mayfield. Thesis: *Functional recovery following logging in subtropical forests*.

Career summary

I am a quantitative ecologist and data scientist with over 10 years of research and teaching experience in spatial modelling and vegetation mapping. I have taught **spatial ecology** and biostatistics, twice won the **Best Teaching Assistant Award** (NUS), and supervised 6 PhD, 4 MSc and 8 undergraduate students. I have 14 peer-reviewed publications in Q1 journals as first or corresponding author. My 39 publications have been collectively cited 1,424 times with an h-index of 16. My projects have been funded by the ForestGEO Research Award (USD 10,000) and the Marsden Fast Start Fund (NZD 360,000).

Employment

2026–present	Part-time lecturer, University of Nottingham Malaysia — GEOG1019 Introduction to GIS
2024–present	Ecologist–Data Scientist, South East Asia Rainforest Research Partnership (SEARRP), Malaysia (joint appointment by Imperial College London, UK) — Virtual Ecosystem (digital twin) — Spatial validation of process-based ecological models in Borneo
2019–2025	Research Fellow, School of Biological Sciences, University of Canterbury, New Zealand — Species distribution and spatial modelling
2019	Visiting Research Fellow, Centre for Urban Greenery and Ecology, National Parks Board, Singapore — Spatial patterns of tree diameter growth in urban streetscapes
2018–2019	Research assistant, Department of Biological Sciences, National University of Singapore, Singapore — Freshwater swamp forest survey and mapping
2015–2018	Teaching assistant, National University of Singapore, Singapore — *Please see Teaching section for taught courses.*
2015	Biology Olympiad trainer, National Junior College, Singapore
2012–2014	Research officer, The University of Queensland, Australia — Mapping of endangered plant species
2012–2014	Course Tutor, The University of Queensland, Australia — *Please see Teaching section for taught courses.*

Teaching

2026	Introduction to GIS
2025	Bayesian statistics for ecologists
2015–2018	Field Studies in Biodiversity, Ecology of Terrestrial Environments, Tropical Horticulture, Quantitative Methods for Ecological Research, Comparative Botany, Ecology and the Environment, Biodiversity
2012–2014	Biostatistics, Ecology, Plant Biology

Supervision & Mentoring

2026	Pin Jia Chan (PhD), Rose Foster-Dyer (PhD)
2025	Daniel Hernández (PhD), Felicia Wei Shan Leong (PhD), Tim Logan (MSc.)
2024	Sophie O'Brien (PhD), Gabrielle Koerich (PhD), Jack Anderson (MSc.)
2023	Laura van Ginkel (MSc.), Rory Lennox (MSc.)
2017	Zhong Yu Chiam (BSc. Hons)
2016	Melissa Wong Qi Yun (BSc. Hons), Amanda Ng Wei Ling (BSc. Hons), Pin Jia Chan (Undergraduate programme), Zhong Yu Chiam (Undergraduate programme), Rens Gerard Brouwer (Undergraduate programme), Srishti Arora (Undergraduate programme)
2015	Germaine Tan Su Yin (BSc. Hons)

Publications

Song, X. P., Lai, H. R. (2020) `allometree`: Allometric Scaling of Urban Trees. R package version 0.1.

Conferences & Presentations

2025	Invited talks. National University of Singapore and National Parks Board Singapore.
2024	Ecological Society of Australia. Melbourne, Australia.
2022	sUCCESS secondary forest workshop. Leipzig, Germany.
2022	Association of Tropical Biology and Conservation (ATBC). Cartagena, Colombia.
2020	International Statistical Ecology Conference (ISEC). virtual.
2018	Association of Tropical Biology and Conservation (ATBC). Kuching, Malaysia.
2016	Conservation Asia. Singapore.
2015	20th Biological Science Graduate Congress. Bangkok, Thailand.

Grants, Awards & Scholarships

2026–2027	Forest Global Earth Observatory Research Award (USD 10,000), The Smithsonian Institute, USA
2022–2025	Marsden Fast Start Fund (NZD 360,000), Royal Society Te Apārangi, New Zealand
2019	International Society for Plant Molecular Biology Medal for most outstanding thesis
2019	CUGE Visiting Research Fellowship, National Parks Board Singapore
2017 & 2018	Teaching Assistant Award, National University of Singapore
2016	City Developments Limited (CDL) Urban Ecology and Conservation Scholarship
2013	University Medal, University of Queensland
2011	Summer Research Scholarship, University of Queensland
2010	D.A. Herbert Prize in Botany & F.A. Perkins Prize in Entomology, University of Queensland

Services & Outreach

Membership	Association of Tropical Biology and Conservation (ATBC), Open Traits Network (OTN), Ecological Forecast Initiative (EFI)
Peer review	*Science*, *Journal of Ecology*, *Functional Ecology*, *Ecology*, *Methods in Ecology and Evolution*, *Ecological Applications*, *Ecography*, *Biodiversity and Conservation*, *Biological Invasions*, *Science of the Total Environment*, *Journal of Vegetation Science*, *Global Ecology and Biogeography*, *Global Change Biology* etc.
2020	`RMarkdown` tutorial, University of Canterbury, New Zealand
2017	Science Research Programme, Hwa Chong Institution, Singapore
2016	Festival of Biodiversity, Singapore Botanic Gardens

Languages

English, Bahasa Malaysia, Mandarin, Cantonese

Other skills

Geographic information system (with QGIS and R), spatial modelling, Bayesian inference, version control (GitHub), plant survey and identification
